

The SW Regional 6U Tournament will be conducted as a preliminary round of pool-play followed by a double-elimination championship round and a single-elimination consolation round.

Pool Play

All tournament game rules will be in effect with the following added provisions:

1. Each team in a pool will play every other team in the same pool once.
2. Home team will be determined by coin flip prior to each game.
3. The teams with the best and second-best win-loss record within each pool will advance to the double-elimination championship round. The remaining teams will advance to the single-elimination consolation round.
4. Pool play games will be limited to five innings or one hour and fifteen minutes. If a game is tied at the end of regulation play, one additional inning will be played. If the game is still tied after one additional inning, the game will be entered into the standings as a tie game.
5. If two or more teams in a pool are tied in win-loss record, then the following “tiebreaker” criteria will be used to determine the pool winner and/or runner-up:
 - A. Head-to-head game results.
 - B. Fewest runs given up to common opponents.
